

The Formentera Office of Sports is pleased to report that signups for the municipal schools of swimming, archery, athletics and tennis will open next week. For now, the sailing school will continue with summer courses.

Swimming school

Monday 12 September, registration for the 2022-2023 school year starts at the municipal swimming school. This year classes will range from "tortoise" level (i.e., primary school pupils aged six and up) to advanced classes for teens. Signups run Monday 12 September through Friday 16 September and can be done online on the Virtual Citizen Information Office (OVAC) or in person at the OAC. Monday 19 September to Friday 23 September, signups will be confirmed via email or over the phone and a date and time will be set. Classes begin on 26 September.

Swimming lessons will be offered at every school on the island

This year, for the first time, local schools will have swimming lessons for young children, i.e. three to six years old. This year CEIP Sant Ferran de ses Roques has been added, which will also include swimming pool activities for primary school pupils. This year, children enrolled in physical education classes at CEIP Mestre Lluís Andreu will also take part in swimming activities. In addition, students in the UEECO classroom at IES Marc Ferrer will receive classes two days a week. This summer, improvements were carried out inside the pool, including new doors and furniture. The pool was also cleaned and hyperchlorinated, and new material was purchased.
