

Today the Office of Sports and Office of Youth of the Consell de Formentera presented the activities offered for local children and youth during the summer holiday. The Consell has put together a document covering the entire offer of the Summer School (*Escola d'Estiu*), sports clubs and other entities so that the public can find all the information in one place.

Vanessa Parellada, youth affairs councillor, hopes that "giving families all the information now will mean they can organise themselves in advance", adding, "The subject of the summer activities is crucial, because on our island it is what allows many to reconcile work and family".

Paula Ferrer, sports councillor, highlighted "sports clubs and organisations' effort and commitment to prepare a complete range of activities that children and adolescents can enjoy this summer" and "the joint work between the Office of Sports and Office of Youth to provide solutions to local families".

Summer activities and Escola d'Estiu

Every year, the Escola d'Estiu is organised and offered at Mestre Lluís Andreu and El Pilar de la Mola primary schools and Espai Cultural de Sant Ferran.

In addition, summer sessions at the Basketball Club will include functional training and swimming lessons; the Tennis Club will hold training and practices at the Tennis School; both Club Cosmitos, the football camp of SD Formentera, and the Sailing School, will hold practices; Es Roco will offer climbing lessons, and dance, theatre, percussion and creativity camps will be held as well.

Registration for most of these offers opens 2 May.

Job offers

Until 4 May the Consell will seek to fill 26 openings for youth activity leaders, three for activity centre directors and four for special needs assistants at the Escola d'Estiu.

Complete details on the offer and registration is available on the Convoca platform, which the Consell de Formentera has created to make the process easier and more intuitive.

This new space will be used for all future job postings by the Consell de Formentera. The listing can be viewed [here](#) and at www.conselldeformentera.cat.
