

The Formentera Department of Culture reports that from 7.00pm Monday 28 September, the Ajuntament Vell exhibition space will welcome a group show entitled *Orígens*. Seven local artists —Emilia Brussoni, Maribel Escandell, Robert P Hawkins, Celia Jiménez, Teresa Matilla, Enric Riera and Fran Lucas— put their heads together for an exhibition to which each participant contributed two works of his or her choosing (from acrylic to oil to canvas to mixed media) as well as a text and an object speaking to how the featured artwork came into being.

Regular opening hours for *Orígens* are 11.00am to 2.00pm and 6.00pm to 8.00pm, 29 September to 10 October. The show’s seven contributing artists belong to the Association of Formentera Artists (ADAF).
